Greetings from our Key Volunteer Leaders

Dear Friend of New York City Scouting and Exploring,

Thank you for helping us to impact so many lives in 2016, instilling the values of character, commitment, and community in New York City's youth.

For over a century, New York City Scouting and Exploring have excelled at teaching young people the values that will help them prepare for success and strengthen our communities. As this Report shows, our youth are working hard throughout the year to invest in themselves and their neighborhoods. Our adult volunteers lead the way by offering their time to mentor New York City kids, and by modeling the type of commitment to others that Scouting is all about.

We also introduced new programs this year, including the Lions program for kindergarten-age boys, so we can begin to have a positive impact on children at a younger age. Young men and women enjoyed many new career preparation experiences. And we renewed our commitment to STEM and trade skills in our year-round programs and at summer camp to help prepare youth for success in school and in their careers.

Thanks to you, we made significant investments in our outdoor adventure programs infrastructure, and are looking forward to celebrating the 90th anniversary of Ten Mile River Scout Reservation this summer. We will continue to offer rewarding opportunities for young people to practice civic engagement, outdoor education, and environmental sustainability. With your help, we can build on these efforts in the year ahead.

With gratitude and appreciation,

Program Highlights

We offer programs for boys and girls throughout the five boroughs ages 6-20:
Cub Scouts • Boy Scouts • Scoutreach • Exploring • Learning for Life • Venturing

This was an exciting year, with new programs and activities that inspired young people to challenge themselves and contribute to their communities. Here are just a few highlights.

Good times at the 2016 Pinewood Derby

>> Lifesaving Scouts: Jayden J. and Ty'zia J., Boy Scouts from Bedford-Stuyvesant, Brooklyn, saved a boy from drowning in a pool. The pair had been swimming in a pool in Florida when they noticed another boy in the pool underwater who had not come back to the surface. Thanks to their intervention the boy made a full recovery.

"They took what we taught them, and fortunately we have a young person who is still alive because of their efforts," said the boys' Scoutmaster J.D. Stark. Jayden and Ty'zia were featured on **Brooklyn News 12**, and received the BSA national Meritorious Action Award.

>> Times Square Pinewood Derby

This June Scouts from 40 Councils in 20 states showed off their racing skills in Times Square.

Approximately 2,000 youth and adults were in attendance. This event doubled in size over the previous year, and was featured on **NY1**, **CBS News**, and in several local newspapers.

Merit Badge ProSeries: New York Times

>> New Journalist Merit-Badge Pro-Series

Events: Scouts learned about careers in journalism from professionals at **CNN** and **New York Times** this fall, when these media titans opened their doors to Scouts in New York City. Scouts earned credit toward the Journalism Merit Badge for these two events. Highlights include personalized tours as well as presentation by **New York Times** Vice President and Life Scout Will Bardeen, and Pulitzer Prize winner Nick Kristoff.

A roaring Lion Scout with his game face on.

>> New Lions Program: In 2016, 228 young boys were introduced to Scouting. It has been a “roaring” success. Kindergarten-aged boys are very eager to explore the outdoors, venture off, and make new friends. It’s still a bright, new world full of curiosity for them, and we’re here to teach them how to maneuver through it. Lions recruitment to the Cub Scouts has been a tremendous success. At this young, extremely impressionable age, our Lions are learning new skills, developing great early teamwork attributes and implementing them all while having the time of their lives!

>> Scoutreach and STEM: With technology at the forefront of our daily activities, the national office of the Boy Scouts of America has enhanced the teaching and learning of STEM-based skills through STEM NOVA, new merit badges and more. Locally, the Scoutreach division has developed a revamped 21-week interactive and expandable program designed to offer our middle school-aged Scouts opportunities to advance in Scout rank while learning and reinforcing the scientific method, critical thinking, problem-solving, and leadership skills.

Late last fall, Scoutreach expanded their school and community outreach with a five-week introduction to STEM LEGO Robotics. The incorporation of new technologies into our offerings will present Scouts with many opportunities to be empowered and pursue their interests. The new program was piloted in a limited number of schools in 2016, with broader outreach planned for the 2017 program year.

>> 21st Annual Law Enforcement Leadership Academy

Academy: Over 230 young men and women participated in the three-week academy, which brings students to classrooms at Fordham University for two weeks and to Camp Keowa for one week of drills, scenarios, zip lining, ropes courses, and other outdoor adventures in upstate New York. The Academy culminated in a graduation ceremony at One Police Plaza hosted by the NYPD.

Camping & Outdoor Adventure Highlights

Participation was up this year in year-round weekend camping, and we made many improvements to our three camps. We are grateful to Pat and Tom Bain for their support of renovations to the Camp Keowa Dining Hall. In addition to renovating two Comfort Stations, we addressed several important capital needs thanks to the generosity of The Reeves Foundation and many generous Scouters.

The new John P. Ward Training Camping Area: This area serves as a testament to John's life of leadership and service and benefits Scouts and Scouters who participate in training at the Reeves Training Center at Alpine Scout Camp, including National Youth Leadership Training, Wood Badge, Introduction to Outdoor Leader Skills, and other training courses.

John P. Ward was a NESA Outstanding Eagle Scout and a dedicated volunteer. John served as Scoutmaster of Troop 728, Manhattan, Lodge Adviser of Man-A-Hattin Lodge #82, and Wood Badge Trainer and Course Director. John was a Vigil Honor member of the Order of the Arrow, a Silver Beaver and Manhattan President's Award recipient, and a dedicated trainer of youth and adults over three decades.

William A. Clark Aquatic Center: In honor of over 40 years of professional service in Scouting, the William H. Clark Aquatics Center will serve as a permanent tribute to Bill Clark's service to Scouting. The completed renovations will improve the swimming pool and area, which is one of the most popular areas at John E. Reeves Cub World. Thank you to all who supported this work.

Ten Mile River Scout Reservation 90th Anniversary Celebration:

Ninety years ago under the volunteer leadership of Franklin Delano Roosevelt in his role as President of the New York City Boy Scout Foundation, funds were raised to acquire Ten Mile River Scout Reservation for Scouting. In anticipation of the anniversary of Ten Mile River, we are undertaking several key capital improvement projects reservation-wide, under the aegis of Tom Kavalier and Johannes Knoops. All Scouters and friends are invited to our upcoming celebration at Ten Mile River August 4-6, 2017.

Visit www.bsa-gnyc.org/90TMR for details.

In Memoriam: Justice Arthur M. Schack

He was a Member of: the National Council; the Brooklyn Council Executive Board; the Greater New York Councils Executive Board and its Camping Committee; and the Troop 20 Committee Chairman. He served as Brooklyn Council Commissioner, Brooklyn Council Vice-President for Program, and as Brooklyn Council President. The Judge served on the staff of the Ten Mile River Scout Camps from 1962 to 1970, culminating in serving as the Director of Camp Aquehonga.

"Staten Island Boy Scout James Seagriff wanted to help children of deployed soldiers, just like he received help when his father was deployed to Afghanistan. Life Scout Seagriff raised more than \$2,500 to buy 50 bikes for children of New York Army National Guard officers who are deployed in Kuwait.

With the help of his troop, Boy Scout Troop 37, and some scouts' parents, they assembled bikes on Oct. 30 for four hours at the Guard's Staten Island Armory in Castleton Corners.

'It makes me feel good,' Seagriff said. 'But at the same time, you're not giving them your parent back and there's nothing that can fill the void so this is just a way for us to show our appreciation.'

In Memoriam **Martin D. Poller**

We remember Eagle Scout Marty Poller for his accomplishments and involvement with the Boy Scouts in Staten Island spanning over 65 years. He joined Pack 18 in 1946, and has received the Silver Beaver, the Good Scout Award, and the Shofar Award. He also served on the Staten Island board of the Greater New York Councils and on the Staten Island Jewish Committee on Scouting.

JACK RUDIN

In Memoriam

We remember Jack Rudin, former Boy Scout and Ten Mile River camper, Silver Beaver recipient, and long-time supporter of the Greater New York Councils, Boy Scouts of America. Jack was Chairman of Rudin Management Company and one of New York City's leading real estate builders and owners. He was also a highly dedicated and generous philanthropist. Jack was a patron of Ten Mile River, especially Camp Keowa which was Camp Manhattan when he and his brother Lew spent summers there in the 1930's.

Jack loved New York, and along with his late brother, Lewis, carried on the tradition of their parents, Samuel and May, in business and public service, including establishing and funding for the Rudin scholarships for TMR Camp staff to fund their college studies.

Jack was born in the Bronx in 1924. He grew up in Scouting on Manhattan's Upper West Side. Jack was a husband, father, stepfather, grandfather, uncle, great-uncle, and great great-uncle.

Jack served in the U.S. Army during World War II and was a recipient of the Bronze Star for heroic and meritorious service in combat. Jack's stature as a business and civic leader was matched only by his devotion to improving the lives of the less fortunate, and he left an indelible mark on our city. As a builder, he oversaw the design and construction of some of New York City's most iconic building, his philanthropy and community involvement in health care, education, the arts and social services vastly improved the quality of life for many New Yorkers.

Our condolences to his wife Susan, his son Eric, and daughters Madeleine and Katherine.

Tufts CAMP Study of BSA Finds Scouting Improves Cheerfulness, Helpfulness, Kindness, Obedience, Trustworthiness, and Hopeful Future Expectations

Scouts over a two-year period demonstrated increases in these important attributes. This study was conducted by Richard Lerner from the Institute for Applied Research in Youth Development at Tufts University, and evaluated Scouting in urban Philadelphia neighborhoods with traditional volunteer-led Scouting units as well as Scoutreach units. It was completed in 2016.
